MARINE CITY PUBLIC SCHOOLS

MARINE CITY, MICHIGAN

## Dedication

It is fitting and proper that the 1943 Annual be dedicated to our young men and women in the service of their country. At the time of this writing the Public Schools of Marine City have one hundred and fifty former students in the armed forces. We also have several young men on the high seas sailing with the United States Merchant Marine.

As we pay tribute to the young men and women who have left their homes, families and jobs to serve their country, we might pause to reflect on the heritage they are so valiantly defending.

We in the United States do not seek to impose our political, social or economic beliefs upon any other people, state or nation. We do insist however, on our right to defend those principles upon which our country was founded and developed. It is no empty statement that the philosophy of the Axis Powers is contrary to all that the United States stands for or will stand for in the future. From the Declaration of Independence to the Four Freedoms the United States has constantly striven to protect the individual and minority groups. This principle has been a magnet to millions of downtrodden peoples of the Old World.

Our Democracy is not perfect. We have made mistakes and probably will make many more in our efforts to build a nation based on freedom from want and fear, together with freedom of speech and religion.

We want our country to be a place where the individual is free to develop his lawful talents to the greatest degree and to receive all possible encouragement to do so. We want our country to be a place where governmental restraint is at a minimum because the individual recognizes and assumes his obligations to society. We want our country to be a place where the competitive process in every field of human endeavour, professions, trades or government elevates the most capable man or woman to the top. Above all we want recognition given to the human rights and values of every individual or group, race or creed.

Our country has a long, hard path to travel before we can hope to realize the many benefits to be derived from a society based on the above principles. However, we reaffirm them in the face of our enemies and gladly go forth to defend our beliefs against the foe.

To the young men and women in the armed forces, the Board of Education, Faculty and Student Body of Marine City High School dedicate this volume and pray to Divine Providence to bring them safely home.

It is, I think, a great privilege that once a year we can offer to this community a life picture of high school activities. No institution can stand still in a moving world, and as we cannot live in our dreams, we are lucky enough if we can give a sample of our best, if in our hearts we feel that it has been nobly done. The tie that binds, unites us with our youth and as work is our divine opportunity, this modest volume is presented as a token of the energy, ability, and enthusiasm of our young people, made possible by an earnest and thoughtful faculty.

The Senior Class of '43 are anxiously looking forward to taking their place in the future. This does not mean that we wish to overlook those memories of good times we have had in former years, nor have we failed to recognize the value of the opportunity that Marine City has offered through the School and the Board of Education. The Senior Class will say farewell to all that has been good and the best of luck to our successors.

## Class History

The Senior Class of '43 first had the experience of being in "High School" as the Freshmen of 1939-40. New rules and regulations always proved to be confusing but were made clear by our ever helpful advisors. Our class officers were:

|                 |                 |
|-----------------|-----------------|
| President       | Pat Byrne       |
| Vice President  | Marion Densmore |
| Secretary       | Herbert Robb    |
| Treasurer       | Jack Arnold     |
| Student Council | Shirley Wood    |

In our Sophomore year we were looking into the future and starting to work and plan for the day we were to be SENIORS. That year we gave several dances, with our "Victory Dance" celebrating the defeat of the St. Clair team in a county football game. Our first bake sales were also given during the year and proved to be quite successful. Those who led our class were:

|                 |              |
|-----------------|--------------|
| President       | Clinton Shaw |
| Vice President  | Shirley Wood |
| Secretary       | Tom Corden   |
| Treasurer       | James McKay  |
| Student Council | Shirley Hart |

Soon came our Junior year with activities planned and running along smoothly. Then came the fatal December seventh! This caused a great change in our classes and social schedule. There was considerable debating about the annual J-Hop, which was finally given with grand results, both socially and financially. Our year was made complete by giving the Junior-Senior Banquet and Prom. Officers elected to head the class for that year were:

|                 |                 |
|-----------------|-----------------|
| President       | Tom Corden      |
| Vice President  | Bob Cooper      |
| Secretary       |                 |
| Treasurer       | Marion Densmore |
| Student Council | Loren Feagan    |

Our Senior year at last!!! - and the year for which our class had anxiously awaited. We elected our officers at the close of our Junior year, so that we could get started toward earning funds for the many Senior activities scheduled, especially our Senior trip. The officers elected were:

|                 |                   |
|-----------------|-------------------|
| President       | Jean DeLisle      |
| Vice President  | James Galvin      |
| Secretary       | Shirley Hart      |
| Treasurer       | Ralph Mocock      |
| Student Council | Mary Sue Wesbrook |

From the very beginning our class has been successful in all its undertakings, and this year has been no exception. The Hallowe'en Dance, with its witches and goblins, and the Mistletoe Dance, with REAL mistletoe, were highly successful, both socially and financially. During our moments of relaxation we have been busy selling magazine subscriptions and Christmas cards. We also had several after-game dances and sold hot-dogs at football games. Our greatest events of this year have been the Senior Class Play, "The Mad March Heirs", directed by Miss Purdy, Mrs. Wiltse and Mr. Pfingst, this being followed by our annual Carnival with all its rollicking merriment. The cast, directors, and student directors were invited to present the play to entertain the Detroit Edison Company men at their banquet in Port Huron. This performance has added new laurels to our class.

Through the four years of high school, we have had many outstanding athletes in such sports as football, basketball, and track. Those who have earned letters are: Ralph Mocock, Edward VanZandt, James McKay, Harold Basney, Charles Anderson, Harvey Booth, James Galvin, Jack Arnold, and William DeShon. The cheerleaders representing the Seniors are Bernadette McDonald and Alvin Goulette, both having earned letters also.

Our choice of class colors : maroon and white. Our flower: the white rose. Although we are graduating from high school, we are all seeking new fields to conquer. Most of the boys will enter the Service and possibly a few of the girls. Our selection as a class motto is clearly understood and appropriate - "Not finished, just beginning".

Jean DeLisle

## Class Will

We, the Senior Class of 1943, of Marine City High School, being in tip-top condition due to "PHYSICAL FITNESS", and having questionably sane minds, do hereby publish our last Will and Testament.

First: To our teachers, we leave our hopes that they may, someday, find another class that will be as quiet and obedient as the Class of '43.

Second: To our advisors, Mrs. Wiltse and Mr. Pfingst, we give our deepest regrets that we caused them so many endless worries.

Third: To the Freshmen we leave our ability to skip classes and get away with it.

Fourth: To the Sophomores we leave our delightful memories.

Fifth: To the Juniors we leave - as individuals - the following:

To Irene Langell we give LaVerne Dodge's co-ordination.

Eva Campbell leaves her shortness to Irene Swalec.

Bill Cramer, without doubt, will accept Ralph Mocock's athletic ability.

Jim McKay leaves his "pinkness" to Myrtle Erdbecker.

To Rosemary Walton we leave Vivian Edleman's "physical fitness".  
Betty Pearson and Mary Sue Wesbrook leave their make-up kits to Virginia Horn.

June Recor and Ed VanZandt bequeath their dancing ability to Bill Basney.

Loren Feagan gladly parts with his long stride to Donna Baker.  
Dolores Lindow's shyness to Jack Hillier.

Marion Densmore and Dave Klein leave their harmonious voices to George Adgett.

Lucille Theume's ability to go steady to Bill Ruemanapp.  
Margaret Johnson's slimness to Donna Hampe.

Jean DeLisle leaves her excess poundage to Shirley Jacobs.  
To Marion Zobl we leave the quiet nature of Gerald Heath.  
Betty Pryce's "tripping entrance" to Walter Tesch.  
Dorothy Flaxington and Bob Cooper leave Betty Christy and  
Murvale Huston their ability to break up and make up.  
Edna Greene leaves her number 17 stamp to Arlyne Hoshal be-  
cause Edna has more than enough shoes to last her the duration.  
Alvin Goulette's "angelic" ways to Blanche Lurtz.  
Shirley Wood leaves her long eye-lashes to Jeanette Schneider.  
Charles Anderson leaves his limousine to Wilma Phillips to en-  
able her to "get around" better.  
Marion Ruemanapp leaves her ability to make a good wife to Frank  
Filipkowski.  
Shirley Hart leaves her jet black curls to Kay Meyer.  
Ed Fritz requests that Burnadette McDonald be left to him, but  
we have our doubts.  
We leave Ann Lipa's quaint little way to Corrine Frothingham.  
Mary Lou Meade and Clinton Shaw leave their excess ambition to  
Louis Guyor and Bernadine Bradford.  
Don Alpers leaves his curly hair to Florence Sandul.  
Thomas Corden's "alertness" to Milton Tennant.  
Marion Stark leaves her comb to Floyd Lyons to comb his curls.  
Hector LaVigne -- well, he can't leave anything because he needs  
everything he has.  
Marielle Bridges ability to build up morale for a certain soldier  
to Lois Mangold.  
Belva Oulette leaves her ability to graduate in three years to  
Frank Miller.  
Angeline Weglarz leaves her one and only, in Uncle Sam's service,  
to Helen Tripp.  
Jim Galvin leaves his acting ability to Christine Ruemanapp.  
Harvey Booth unwillingly leaves his broad shoulders to Gloria  
Garlock.  
Doris Decator leaves her expert basketball ability to Dolores  
Ginge.  
Harold Basney leaves his boisterous ways to Mary Smith.  
Ila Bradford leaves her lunch-box to Marguerite Booth.  
Jarvis Elsholz leaves his "perfect" attendance to Harvey Hintzman.  
Milda Lozon's ability to get around in Detroit to Don Bassett.  
Dorothy Scott leaves her "cosmopolitan ways" to Ida Jones.  
Mable Busby leaves her ability to hold on to two soldiers to  
Donna Schutt.  
Eleanor Fast leaves her "sailor boy" to Mary Argitis.  
Lois Bailey's household management to Jerry Boullier.  
Dolores Hoshal leaves her 22" waist measurement to Allen Hood.  
Bill DeShon leaves his beautiful wavy hair to Eugene Buel.  
And, last but not least, we have our own Jack Arnold, but as  
far as Wills are concerned Marilyn Bennett will take care of his.

We do hereby appoint Mrs. Wiltse and Mr. Pfingst as executors of this, our  
Last Will and Testament. Being sure our wishes will be carried out by the  
aforesaid, we do hereby affix the "great seal" of the Senior Class of 1943.

The Student Council is made up of the combined representatives of grades, from the seventh through the twelfth, and, in accordance with its Constitution, the purpose of this organization is to promote a better understanding between the faculty and student body, covering problems of our school life.

Many new worth-while projects have been introduced this year, such as: the Monitor system, which keeps an accurate check on the whereabouts of students during school session; the first social event of the term, The Student SWIRL, a get-acquainted dance; our joint meeting with the Student Council at Port Huron Hi; establishing specific rules for ninth hour; the erection of a booth for the sale of Defense Stamps; an Honor Roll dedicated to friends and classmates in the Service, and a Popularity Contest, designed to increase our contribution to the Red Cross.

Attractive pins are being worn by the members for the first time since this student governing body was formed in our high school.

Yes, the Student Council plays an important part in our school life, and to those who carry on the fine principles it represents, we wish continued success.

Second Row: Dorothy Flaxington, Mary Sue Wesbrook, Arlyne Hoshal, Florence Sandul, Marion Zobl, Dorothy Scott.

The constitution of this national organization recognizes four objectives as fundamental in all educational practice; Scholarship, Character, Leadership, and Service. Our aim shall be to hold before the school such motives as shall induce others to aspire to scholarly habits, enlisting in worthy service and leading forward in all things that shall advance the welfare of the school.

Each year a certain number of students from the eleventh and twelfth grades, who have been outstanding in scholarship, character, leadership and service, are nominated for election into the local chapter of this national organization. The Junior and Senior classes, as well as the Faculty, vote on these candidates and to be chosen for membership is the highest honor that can be awarded a Junior or Senior student in high school.

To the readers of the Mariner for 1943: A custom, long neglected, is now revived, namely that of addressing a personal message from the Faculty Advisor of the publication to the possessors of the yearbook. In this case, I speak for the entire Mariner Staff.

About the book itself: We are offering to you in these pages a new ideal. Our conception of the task now completed has been this; to give you a record of the past school year free from all conventionality -- a book that looks past today into the future. How far we have succeeded in approximating this ideal is for you to judge, as the book and its future are yours.

To the Staff: My sincerest thanks and appreciation. The Staff this year being extremely small, placed exceptional burdens on the shoulders of Mary Sue Wesbrook, Dorothy Scott, Betty Pearson, Irene Langell and Tom Corden.

A toast then to the Mariner of 1943 - may it set the evolutionary march of its predecessors one step higher and be the start from which a line of distinguished successors will follow.

The Log Staff announces another very successful year. Our high school publication encourages composition and newspaper work, and, although this project was introduced into our high school system only four years ago, it has become increasingly popular with students, faculty and alumni.

Many new innovations appeared in the paper this year such as "The Service Parade", about friends and classmates in the service of our country; the "Inquiring Reporter", a column expressing personal opinions of students on various subjects pertaining to school life; the "Log-Jam", a rambling item touching on a little bit of this and that, and activities connected with the war program, such as the Defense Bond sale campaign, the important contribution the Junior Red Cross has made, and the Physical Fitness program, designed to better prepare students for war time demands.

Through the kind cooperation of the local merchants who purchase advertising space, publishing a paper of this type is made possible. We are grateful for their assistance.

The Staff thanks all who have contributed toward the success of this student edition and it is their sincere wish that you who take over will - KEEP THE LOG ROLLING!!!

The Faculty Club meets in the fall of the year to welcome and help the teachers adjust themselves in our community. A picnic is the usual procedure, this year being held at the Clipper Club grounds, and plans are in progress for a spring social gathering in order to wish all teachers leaving "good luck and success" in their new positions.

This year the major problem was, increased state aid for the schools in order that there may be an increase in teachers' salaries for the oncoming year. The organization is interested in the creation of a better school system for Marine City. The meetings are devoted to the discussion of problems of both teacher and student nature, unity and co-operation being of outstanding importance to the system, as well as the organization. The club is fully aware of the task placed upon them in protecting the democratic way of life and are continually trying to better themselves.

It is hoped that the seed that has been sown will continue to develop and hold to the course charted.

Determined to share top honors in the St. Clair County Football League, after becoming the 1941 Champs, the Marine City Wildcats opened the 1942 season with a well-built, well-organized team, coached by Mr. Robert Catt, line-coached by Mr. Marshall Gingrich, and captained by Ralph Mocock, a "veteran" in football as in all sports. However, their first game proved a slight disappointment, with the Lakeshore, an out-of-county team defeating Marine City, 6-0.

#### \*Home Games

When the 1943 basketball season opened, it was apparent to the fans, and the team themselves, that the schedule of games to be played would be uncertain indeed - many of the heretofore out-of-county- teams dropping from the league, due to gas rationing and consequently transportation difficulties.

The Wildcats, however, participated in fourteen games, losing five out of the ten county games and placing them fourth in the St. Clair County Basketball League for 1943. The team, coached by Mr. Catt, and captained by Jim McKay, with such strong support from the last year's (on pg. 39)

## Track

Front Row: Lawrence DeCou, Peter Juep, William Daniels, Donald Meyer, Harold Basney, Walter Smith, Marvin Hintzman, Edward Fritz, Mervale Huston, Donald Basney, mgr.

Second Row: Stanley Widdas, William Lowes, William DeShon, Archie Leitch, Jerry Sayers, William White, James Galvin, Ralph Mocock, Fred Schneider, Donald Shaw, Donald Alpers, Mr. R. Catt.

## Football (concluded)

This was a minor setback as the Wildcats strode ahead to tie three of the next four games - with Marysville, Richmond, and Yale, and taking the Algonac game by a 13-0 score. In the remaining three games scheduled, Marine City suffered two defeats at the hands of the St. Stephens and St. Clair team -- the first being played on the St. Stephens field at night in one of the most severe rainstorms of the year, the second, the deciding County Champions battle. The Wildcats finished up the season though by winning the M.C. - Holy Cross tilt 22-6.

Although the team had one disadvantage of losing 12 lettermen through graduation, they managed to capture third place in the St. Clair County League, with Ralph Mocock and Joseph Valla obtaining berths on the All-Hi County team selected. This year's letter-winners are:

|                       |          |                 |             |

| Charles Anderson      | guard    | Albert Furtaw   | quarterback |
| Jack Arnold           | end      | James Galvin    | end         |
| Harold Basney         |          | Louis Guyor     | end         |
| Donald Bassett        | center   | Harvey Hintzman | guard       |
| Harvey Booth          | tackle   | Marvin Hintzman | tackle      |
| LaVerne Bradford      | manager  | Peter Juep      | guard       |
| Lawrence DeCou        |          | Floyd Lyons     | halfback    |
| William DeShon        | fullback | Ralph Mocock    | halfback    |
| Frank Filipkowski     | tackle   | Edward VanZandt | tackle      |
| Joseph Valla fullback |          |                 |             |

Two other boys deserving "honorable mention" are William Lutz, that speedy quarterback who carried the ball in so many games, and Jerry Boullier, end, who - due to a shoulder injury - had to forfeit any more football for the remainder of the season.

Good luck to the coming 1943 team!!! and to Mr. Robert Catt, who has been doing such a grand job!!!

## Basketball (concluded)

lineup - Mocock, Booth, VanZandt, Galvin, Boullier, and Tennant started out literally with a "bang", taking six county games successively - Holy Cross, St. Clair, St. Stephens, Algonac, Marysville, Holy Cross, before a series of mishaps occurred in which the next four games were captured by St. Stephens, St. Clair and Algonac respectively. In the February 23d game M. C. again came into their own defeating the Port Huron Reserves by a 28 - 23 score. This, however, was the last Wildcat victory of the season as the final game with Marysville, determining the Wildcat's status in the County League race, proved a disappointment with the opponents nosing the M. C. team out of third place in the League. The Tournament game at St. Clair with Yale, once more ending in defeat for M. C., eliminated them from further participation in basketball for the remainder of the season.

Illness handicapped Ralph Mocock in the late games but he displayed enough ability in these games to be chosen, along with Jim Galvin, as players selected for the St. Clair County All-Hi Basketball Team. Other fellows receiving "honorable mention" were Melvin Totzke and James McKay, ending his high school basketball career, as did Mocock, VanZandt, Booth, and Galvin - all with fine records to their name.

Letter Winners for this year's basketball season are:

|                  |               |
|------------------|---------------|
| LaVerne Bradford | Jim McKay     |
| Roy Dawn         | Ralph Mocock  |
| Lawrence DeCou   | Melvin Totzke |
| Jim Galvin       | Ed VanZandt   |

Athletic Scholarships were awarded to Ralph Mocock, James Galvin, and Dave Klein for their athletic achievements throughout high school.

Lots of luck to Bradford, Dawn, DeCou and Totzke, and to the rest of the fellows who will go out for basketball this coming year.
